

HUNTER SEAL

Plastic HUNTER SEAL is primarily intended to indicate the identification of wild game and legality of the hunt.

HUNTER SEAL has flaps at both sides which serve to indicate the days and months. The appropriate day and month are cut or torn off. HUNTER SEAL is available in several colors with black or white inscription.

- ❖ Double locking mechanism which can be closed without the use of additional tools
- ❖ Good visual inspection even in reduced visibility
- ❖ Large labeling area (5 x 150 mm)
- ❖ Sequential No: +5 digit on the seal, day and month of hunting, the number of district
- ❖ Laser engraving provides a high security against tampering.
- ❖ Material is non-toxic, hygienically harmless, 100% recyclable
- ❖ Combination of factors: The manufacturer keeps records by which the seal is identified: the series, the number, the color, and the description. This way it can not be confused with another seal.

All statements, technical information and recommendations herein are based on tests the Manufacturer believes to be reliable, but the accuracy and completeness thereof is not guaranteed and the following is made in lieu of all warranties, expressed or implied, including the implied warranties of merchantability and fitness for purpose: Seller's and Manufacturer's only obligation shall be to replace such quantity of the product proved to be defective. Before using, User shall determine the suitability of the product for its intended use, and User assumes all risk and liability whatsoever in connection therewith. Seller reserves the right to improve the product and accordingly change the specification without notice. Neither Seller or Manufacturer shall be liable either in tort or in contract for any loss or damage, direct, incidental or consequential, arising out of the use of or the inability to use the product. No statement or recommendation not contained herein shall have any force or effect unless in an agreement signed by officers of or Seller and Manufacturer.
